

**We are Making a
Difference at Ocean
Bay Middle!**

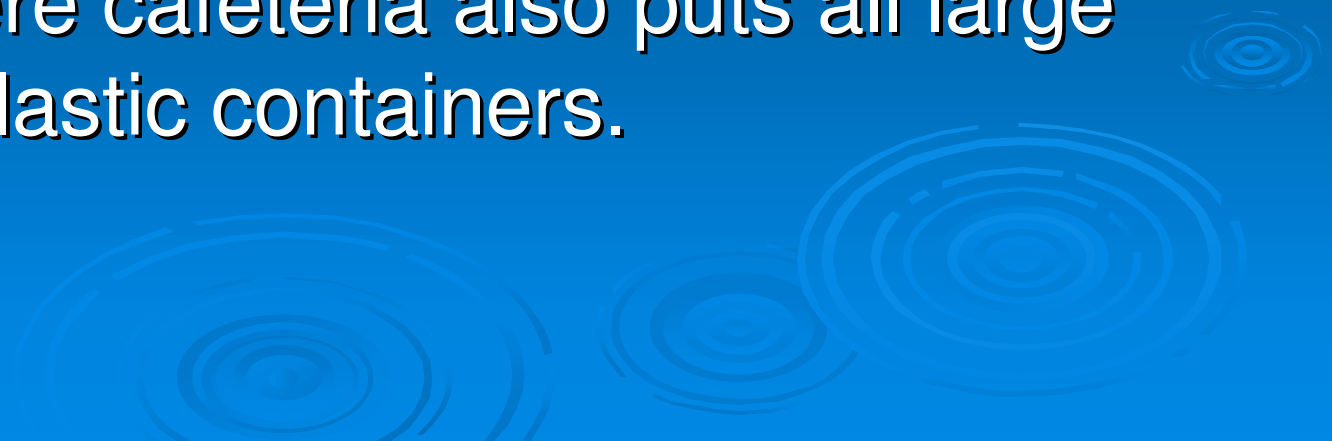

Paper

- All rooms at Ocean Bay Middle have blue bins.
- These bins are for all paper.
- Staff puts all magazines in the black rolling bins in the front office area.
- Our goal is that all trash cans are free of paper.
- Cafeteria recycles all cardboard in a designated container

Plastics Bottles and Metal Cans

- We recycle all plastic bottles and metal cans
 - Recently we were given permission to put our plastics in the dumpster out back with the cardboard products.
 - This is where cafeteria also puts all large cans and plastic containers.
- 

Compost

- At Ocean Bay Middle we compost our lunch scraps.
 - All composted scraps are used for our school beautification activities.
 - So what goes in the bucket??
- 
- The bottom right corner of the slide features a decorative graphic of several concentric circles, resembling ripples on water, in a lighter shade of blue.

A black plastic recycling bin with a white sign taped to its front. The sign reads "Empty plastic bottles only!!! Thankyou!!!". The bin has two large circular openings on its top. A white plastic bucket is visible in the background to the right. The entire image is framed by a blue border with a subtle ripple effect on the right side.

Empty plastic
bottles only!!!
Thankyou!!!

Delays to Success

- What do we do when things do not go as planned?
- Don't give up
- Continue to rally the troops
- Petition outside help
- RIT (Rasch Interval Unit) Classes in AM
